

## APÉNDICE VIII.27

### Lista de especies de la familia Bruchidae (Coleoptera) presentes en Veracruz

**Bruchidae**  
**Amblycerinae**  
**Amblycerini**

1. *Amblycerus acapulcensis* Kingsolver
2. *Amblycerus biolleyi* (Pic)
3. *Amblycerus cistelinus* (Gyllenhal)
4. *Amblycerus championi* (Pic)
5. *Amblycerus chiapas* Romero, Johnson & Kingsolver
6. *Amblycerus eustrophoides* (Schaeffer)
7. *Amblycerus hespenheidei* Romero, Johnson & Kingsolver
8. *Amblycerus pygidialis* (Suffrian)
9. *Amblycerus obscurus* (Sharp)
10. *Amblycerus robiniae* (Fabricius)
11. *Amblycerus scutellaris* (Sharp)
12. *Amblycerus veracruz* Romero, Johnson & Kingsolver

**Spermophagini**

13. *Zabrotes densus* (Horn)
14. *Zabrotes oblitteratus* (Horn)
15. *Zabrotes subfasciatus* (Boheman)

**Bruchinae**  
**Acanthoscelidini**

16. *Acanthoscelides aequalis* (Sharp)
17. *Acanthoscelides alboscuteatus* (Horn)
18. *Acanthoscelides apicalis* (Sharp)
19. *Acanthoscelides argillaceus* (Sharp)
20. *Acanthoscelides brevipes* (Sharp)
21. *Acanthoscelides campeche* Johnson
22. *Acanthoscelides compressicornis* (Schaeffer)
23. *Acanthoscelides cordifer* (Sharp)
24. *Acanthoscelides cuernavaca* Johnson
25. *Acanthoscelides chiricahuae* (Fall)
26. *Acanthoscelides desmanthi* Johnson
27. *Acanthoscelides desmodicola* Johnson

28. *Acanthoscelides desmoditus* Johnson
29. *Acanthoscelides difficilis* (Sharp)
30. *Acanthoscelides elevatus* (Sharp)
31. *Acanthoscelides flavescens* (Fahraeus)
32. *Acanthoscelides fraterculus* (Horn)
33. *Acanthoscelides fryxelli* Johnson
34. *Acanthoscelides griseolus* (Fall)
35. *Acanthoscelides guazumae* Johnson & Kingsolver
36. *Acanthoscelides hectori* Kingsolver
37. *Acanthoscelides jardin* Johnson
38. *Acanthoscelides kingsolveri* Johnson
39. *Acanthoscelides macrophthalmus* (Schaeffer)
40. *Acanthoscelides mankinsi* Johnson.
41. *Acanthoscelides mazatlan* Johnson
42. *Acanthoscelides megacornis* Kingsolver
43. *Acanthoscelides mundulus* (Sharp).
44. *Acanthoscelides oblongoguttatus* (Fahraeus)
45. *Acanthoscelides obtectus* (Say)
46. *Acanthoscelides orlandi* Johnson
47. *Acanthoscelides palmasola* Johnson
48. *Acanthoscelides pertinax* (Sharp).
49. *Acanthoscelides puellus* (Sharp)
50. *Acanthoscelides pusillimus* (Sharp).
51. *Acanthoscelides quadridentatus* (Schaeffer)
52. *Acanthoscelides sanblas* Johnson
53. *Acanthoscelides sanfordi* Johnson
54. *Acanthoscelides schubertae* Johnson
55. *Acanthoscelides sousai* Johnson.
56. *Acanthoscelides suaveolus* (Sharp)
57. *Acanthoscelides subaequalis* Johnson
58. *Acanthoscelides taboga* Johnson
59. *Acanthoscelides triumfettae* Kingsolver.
60. *Acanthoscelides vexatus* (Sharp)
61. *Acanthoscelides zeteki* Kingsolver
62. *Algarobius johnsoni* Kingsolver
63. *Caryedes incrustatus* (Gyllenhal)
64. *Caryedes longicollis* (Fahraeus).
65. *Caryedes quadridens* (Jekel)
66. *Caryedes stictocodius* Kingsolver & Whitehead
67. *Ctenocolum colburni* Kingsolver & Whitehead
68. *Ctenocolum janzeni* Kingsolver & Whitehead
69. *Ctenocolum martiale* Kingsolver & Whitehead

70. *Ctenocolum podagricus* (Fahraeus)
71. *Gibbobruchus cristicollis* (Sharp)
72. *Gibbobruchus divaricatae* Whitehead & Kingsolver
73. *Gibbobruchus guanacaste* Whitehead & Kingsolver
74. *Gibbobruchus iturbidensis* Whitehead & Kingsolver
75. *Gibbobruchus mimus* (Say)
76. *Meibomeus apicicornis* (Pic)
77. *Meibomeus cyanipennis* (Sharp)
78. *Meibomeus ptinoides* (Sharp)
79. *Meibomeus surrubresus* (Pic)
80. *Merobruchus insolitus* (Sharp)
81. *Merobruchus placidus* (Horn)
82. *Merobruchus porphyreus* Kingsolver
83. *Merobruchus solitarius* (Sharp)
84. *Mimosestes acaciestes* Kingsolver & Johnson
85. *Mimosestes amicus* (Horn)
86. *Mimosestes anomalus* Kingsolver & Johnson
87. *Mimosestes cinerifer* (Fahraeus)
88. *Mimosestes humeralis* (Gyllenhal)
89. *Mimosestes janzeni* Kingsolver & Johnson
90. *Mimosestes mimosae* (Fabricius).
91. *Mimosestes nubigens* (Motschulsky)
92. *Mimosestes obscuriceps* (Sharp)
93. *Neltumius texanus* (Schaeffer).
94. *Sennius cruentatus* (Horn)
95. *Sennius ensiculus* Johnson & Kingsolver
96. *Sennius fallax* (Boheman)
97. *Sennius guttifer* (Sharp)
98. *Sennius lebasi* (Fahraeus)
99. *Sennius militaris* (Sharp)
100. *Sennius morosus* (Sharp)
101. *Sennius rufomaculatus* (Motschulsky)
102. *Sennius simulans* (Schaeffer).
103. *Stator aegrotus* (Sharp)
104. *Stator beali* Johnson
105. *Stator limbatus* (Horn)
106. *Stator mexicanus* Bottimer
107. *Stator monachus* (Sharp)
108. *Stator subaeneus* (Schaeffer)
109. *Stator vachelliae* Bottimer

**Megacerini**

- 110. *Megacerus alabani* Teran & Kingsolver
- 111. *Megacerus callirhipis* (Sharp).
- 112. *Megacerus capreolus* (Jekel)
- 113. *Megacerus contaminatus* (Sharp).
- 114. *Megacerus ferrugineosignatus* Teran & Kingsolver
- 115. *Megacerus impiger* (Horn)
- 116. *Megacerus leucospilus* (Sharp)
- 117. *Megacerus minusculus* (Pic)
- 118. *Megacerus porosus* (Sharp)
- 119. *Megacerus pubescens* Teran & Kingsolver
- 120. *Megacerus tricolor* (Suffrian).

**Pachymerinae**

**Caryedontini**

- 121. *Caryedon serratus* (Olivier)

**Pachymerini**

- 122. *Caryobruchus gleditsiae* (Johansson & Linnaeus)
- 123. *Caryobruchus maya* Nilsson
